Director Shashank had done magic with his second movie Moggina Manasu, which has won five filmfare awards. Now, the director is back with his third venture Krishnan Love Story, which is much better than it and is a good fusion of rich technical values, interesting script and wonderful performance. A complicated love tale, the story begins with Krishna (ajai) who is a nice guy and responsible as well. His life takes a turn when he sees Geetha (radhika) and falls in love with her. However, Geetha is clear with what she wants since she is a middle class girl with a lot of commitments. Krishna supports her at every instant and eventually, they agree to get married. However, the pressures of life compel Geetha to look for material wealth and in this process, she accepts the proposal from the wealthy Narendra (pradeep). But then, life has something else in store for her. What happens from there forms the rest of the story. Ajai Rao & Radhika Pandit has given a reasonable performance in the film. Harsha, Pradeep, Sharan, Achyuth Kumar, Chandru and Umashri have also done a wonderful job.

V. Shirdhar's music has surely added to the beauty of the film. He has composed six good numbers for the film and are very melodious. Krishnan Love Story is quite fresh and engaging and would definitely impress especially youths. DON'T MISS IT.
